JOURNALBOOKS

Why give a JournalBook?

- Journals are useful items that become valuable keepsakes
- Journals are not gender specific
- They can be tailored to almost any market
- Offer unlimited ad space for marketing messages
- Combine the strength of promotional products, print production and advertising into one vehicle
- Offer multiple contact with a customer's brand
— cover, custom inserts, custom filler pages
- Promote a personal connection between the receiver and the giver's brand as they use the journal in their lives.

The following pages showcase our range of stocked JournalBooks each of which can be decorated with your logo.

However if you want a true customised product with that Made To Order Magic, give us a call and we can help you create a fantastic product to your precise specifications.

These are just a few examples of customisations we can offer.
